CONDITIONS OF SALE.

1. The Opium will be sold for Exportation by Sea only and no Certificate will be granted except to cover such Export.

2. The Opium to be offered for Sale at an upset Price of Rupees 400 per Chest, and to be all sold to the highest bidder above that price.

3. If at the above Sale the entire quantity of 2,500 Chests shall not be sold, it shall subsequently be competent for the Board of Customs, Salt and Opium, to dispose of the Lots which remain on hand at future Sales.

4. Each Lot to contain Five Chests.

5. A Deposit in a Promissory Note for 1,000 Rupees per Lot, or 200 Rupees per Chest, shall be made by the Purchaser in the Sale Room, and before the Lot is registered in the Sale Book, and all such Promissory Notes shall be redeemed on the part of Purchasers at this Office by Sub-Treasurer's Receipts, or by substitution of other Public Securities of the Bengal Government, on or before 4 o'clock of the Afternoon of Friday, the 27th May 1842, or on the other hand, failing such redemption by the time aforesaid, then the Lot or Lots for which no Sub-Treasurer's Receipts, or Deposit of other Public Securities as aforesaid shall have been delivered in, shall be re-sold at such time or times, and under such Conditions of Re-sale as the Board of Customs, Salt and Opium, shall see fit, and all losses and expenses whatsoever attending such Re-sale, shall be borne and paid by the Defaulters, whilst any profit accruing from such Re-sale shall be forfeited to Government.

6. The Promissory Notes taken on the day of Sale under the last mentioned Condition, if remaining unredeemed on the said 27th May 1842, will be placed in the hands of the Attorney to the Hon'ble Company for realization in such manner as to him shall seem fit.

10. No Sub-Treasurer's Receipts or Deposits of Public Securities under the fifth of the present Conditions, will be received in this Office except from the party recorded as the Purchaser in the Sale Book, or his authorized Agent. The Receipt for such Deposit will be

granted only in the name of such Purchaser, and the Public Securities deposited will be returned when the clearance has been made by the said Purchaser or his order.

11. 12. The Purchaser of any Lot shall have the option of naming and purchasing in immediate succession any number of Lots of the same Agency Opium to the extent of Fifty Lots; and for the Lots so purchased, the Purchaser shall deposit 1,000 Rupees per Lot, and pay the same price per Chest as that for which he purchased his first Lot, provided always that there remain a sufficient number of Lots of that Opium to complete the said Fifty, but not otherwise.

13. In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification, or adjustment of the account thereof, the same shall, and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every Plea and Pleas to the jurisdiction of the said Supreme Court shall be waived.

14. The following Papers, together with Samples of the Opium for Sale, will be exhibited for inspection on the day of Sale, or may be seen previously to that date, by application at the Office of the Secretary to the Board of Customs, Salt and Opium.

No. 2. Report of the examination of such Opium.

15. The Public are hereby informed, that in providing the investment of the Behar and Benares Opium for the year 1840-41, the same precautions have been taken as those which have been observed during past years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of Opium put into each cake. An account of the weight of the Drug when packed at Behar and Benares, and a Statement of the average weight of Six Chests from each dispatch at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium.

16. Four Chests of Behar and Benares Opium which have been reserved from the provision of the two preceding years, will be also shewn to the Purchasers on the day of Sale to enable them to judge of the state of preservation in which the Drug has kept.

17. The Public are hereby informed that in addition to the quantity abovementioned the following quantities more or less of Behar and Benares Opium, will be brought to Sale this year on or about the dates specified below :

	Behar about Chests.	Benares about Chests.	Total about Chests.
On or about June 27th,	8014	1146	4160

18. Application having been made by the French Authorities for the 300 Chests of Opium deliverable to them under the 6th Article of the Convention between Great Britain and France, dated 7th March 1815 in the proportions stated in the margin, it is hereby notified, that in the event of the whole or any portion of the Opium thus claimed by the French Government not being cleared out within the limited period allowed for clearance, viz. one month from the date of the sale, such quantity of Opium (or any part thereof) as may remain uncleared, will be sold at the sale next ensuing the date of payment or disposed of at a Sale to be held expressly for the purpose.

By Order of the Board of Customs, Salt and Opium,

H. TORRENS, Secretary.

NOTICE

I Shereby given, that from and after the 1st May next, Salt will be sold by private sale and at fixed prices, in quantities of not less than 100 Maunds; any Salt taken in excess of Maunds 100 to be taken in even quantities of Maunds 150, or Maunds 200 each, as Maunds 300, Maunds 350, Maunds 400, Maunds 500, &c.

2d. The Salt will be deliverable in the same manner and upon the same documents as heretofore from the several Ghauts and Golahs.

3d. The price of each description of Salt deliverable at the several Ghauts and Golahs will be specified from time to time by Public Notifications.

4th. Parties desirous to purchase Salt from any Ghaut or Golah, must pay the price at the rate fixed for such Salt into the General Treasury, and upon the production of the Sub-Treasurer's Receipt for the amount at the Board of Customs, Salt and Opium, with a written application stating the quantity of Salt required, and the Agency and Ghaut from whence it is deliverable, the applicant shall receive (provided there be in store at the Ghaut or Golah specified, the quantity of Salt applied for) an order upon the Salt Agent, or Superintendent of the Sulkea Golahs, to deliver the quantity of Salt purchased, such order will be accompanied by the usual protective documents which will be negotiable as at present.—In the event of more applications being received than there is Salt in store to answer, the preference will be given to the holders of the Sub-Treasurer's Receipts bearing the earliest numbers of Office Registry.—If the Salt be not cleared within three months, from the date of the Board's Order for delivery, Golah rent and wastage will be charged at the rate of Four Rupees per mensem for each 100 Maunds.

5th. No reduction will be made in the price of any Salt, the price of which has been fixed and publicly notified without a previous notice of ten days, or a longer notice, should it appear desirable to the Board of Customs, Salt and Opium.

6th. Seized, damaged, and inferior Salt, will be offered for Sale at such prices as may be equitable with reference to the quality of the Article, and in such quantities as the Board of Customs, Salt and Opium shall determine.

7th. All notices in regard to any reduction in the price of Salt, sold from Government Golahs, will be inserted in the Calcutta Gazette, and copies will be appended at the Office of the Board of Customs, Salt and Opium, and such other places as may be determined by the Board.

8th. Government do not contemplate the necessity of renewing the system of public Sale, but should a recurrence to that system become indispensable, two months' notice of the same will be given, and the notice will specify the upset price per hundred Maunds at which each description of Salt will be offered for public Sale after the expiration of two months from the date of such notice.

9th. All the provisions of the Salt Regulations are equally applicable to Salt purchased under this notification, as to Salt heretofore purchased at the public Sales.

10th. The above Conditions will remain in force until the 30th April, 1843.

An account of the weight of the Drug when packed at Behar and Benares, and a Statement of the average weight of Six Chests from each dispatch at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium.

16. Four Chests of Behar and Benares Opium which have been reserved from the provision of the two preceding years, will be also shewn to the Purchasers on the day of Sale to enable them to judge of the state of preservation in which the Drug has kept.

NOTIFICATION.

Her Britannic Majesty's Chief Superintendent of Trade, &c. &c. &c. in China, being about to remove his Establishments from Macao to Hong Kong, it is hereby notified that John Rickett, Esq., has been appointed Government Agent at the former place, with authority to open all Mails that may come to the address of the Post Master or other British functionary, to make up packets of letters sent to him for despatch on the departure of Vessels, of which the Government Agent will in all ordinary cases give due notice, and to be the medium of transmitting references and communications which Her Britannic Majesty's subjects residing at or visiting Macao, or others, may wish to have sent to the Chief Superintendent or his Deputy at Hong Kong.

It is further hereby notified, that it is the intention of the Chief Superintendent, &c., to address letters by the earliest opportunity to the Governments of Bengal, Madras, Bombay, and Singapore, as well as to Her Majesty's Post Master General in London, suggesting that letters intended for and specially addressed to Macao, or Canton shall, as far as possible, be henceforward made up in separate packets, whilst the great bulk of the correspondence will as heretofore, be forwarded in the Mails generally addressed China, and which latter it is proposed shall only be opened and assorted at the Post Office at Hong Kong, so soon as the arrangements now contemplated have been carried into effect.

All Merchants and others interested in the above described arrangements, are requested to note the same, and recommended to instruct their Agents and Cor-

respondents in Europe, India, and elsewhere, accordingly.

OVERLAND LETTERS AND POSTAGE.

IT is hereby notified for general information—

First.—That all Letters and Newspapers, except Soldiers' and Sailors' Letters, intended for transmission by the Overland Mails, and except those specially marked via "Falmouth," will be sent through France, and thus be subject to the heavier rate of postage.

Second.—Letters and Newspapers addressed to France as well as those to other foreign countries, with which France is the channel of communication (if the latter are expressly directed to be so sent) will be made up in Packets and sent to the French Post Master at Marseilles; but Letters for Foreign Countries, other than France, if not specially directed to France, will be included in the Packets for England. Letters, &c., for places lying between Bombay and Marseilles, will be despatched in separate Packets.

Third.—Letters for the United Kingdom of Great Britain, weighing less than a quarter of an ounce, and passing through France, are charged single postage, which by that route amounts to 2s. 8d. By the Falmouth route, Letters of half an ounce in weight, are subject to single postage only, which by that route, has now been reduced to 1s.

Newspapers, if sent via Falmouth, are free of postage; but if transmitted by the way of Marseilles, they are charged 2d. each.

Second.—Letters and Newspapers addressed to France as well as those to other foreign countries, with which France is the channel of communication (if the latter are expressly directed to be so sent) will be made up in Packets and sent to the French Post Master at Marseilles; but Letters for Foreign Countries, other than France, if not specially directed to France, will be included in the Packets for England. Letters, &c., for places lying between Bombay and Marseilles, will be despatched in separate Packets.

FORT WILLIAM,
LEGISLATIVE DEPARTMENT,
THE 3D JUNE, 1842.

The following Draft of a proposed Act was read in Council for the first time on the 3d of June 1842.

ACT No. — OF 1842.

An Act for regulating the Emigration of the Native Inhabitants of the Territories under the Government of the East India Company to the Island of Mauritius.

I. Whereas it hath been ordered by the Queen's Most Excellent Majesty, by and with the advice of Her Majesty's Privy Council, as follows:

AT THE COURT AT WINDSOR,
THE 15TH OF JANUARY, 1842.
PRESENT—

THE QUEEN'S MOST EXCELLENT MAJESTY,
HIS ROYAL HIGHNESS PRINCE ALBERT.

Lord President.	Lord FitzGerald & Vesol.
Lord Privy Seal.	Sir Robert Peel, Bt.
Lord Steward.	Mr. Chancellor of the
Lord Chamberlain.	Exchequer.
Earl of Jersey.	Sir James Graham, Bt.
Earl of Ripon.	Sir Edward Knatchbull,
Lord Stanley.	Bart.

Whereas it is probable that the Laws now in force in British India for preventing the emigration of the Inhabitants thereof to Her Majesty's Colonial Possessions will be shortly repealed so far as regards emigration to the Island of Mauritius, and that such last mentioned emigration will be sanctioned by Laws to be for that purpose enacted in India, subject to various provisions to be in such Laws made for the protection of such Emigrants, and for the prevention of abuses. And whereas it is probable that amongst the provisions so to be made, as last aforesaid, will be a provision for enabling the Governor General of India to appoint at ports or places in India, Officers charged with the care, protection and superintendence of all persons proposing to emigrate as Labourers from India to Mauritius. And whereas it is probable that provision will be made by Law at Mauritius for defraying from the public Revenue of that Island the expense of introducing emigration thither from British India. And whereas it is necessary that effectual provision should be made by Law at Mauritius for regulating any such expending, and for the prevention of abuses in the introduction of Emigrants from British India into that Island—It is therefore hereby ordered by the Queen's Most Excellent Majesty, by and with the advice of Her Majesty's Privy Council, that in the event of any Law being made in British India, authorizing the emigration to Mauritius of the Natives of India, and repealing the restrictions now in force there in regard to such emigrations, and in the event of any such Laws, containing provisions, enabling the Governor General of India to appoint at the several ports of embarkation in India, Officers charged with the protection of persons emigrating from such ports to Mauritius, the various Rules and Regulations comprized, and set forth in the Schedule to this present order subjoined, shall within the Island of Mauritius have the force and effect of Law, and shall be observed and carried into effect by all Her Majesty's Officers, Civil and Military, in Mauritius, and by all Her Majesty's subjects within the same Island as to them may respectively appertain.

And the Right Hon'ble Lord Stanley, one of Her Majesty's Principal Secretaries of State, is to give the necessary instructions herein accordingly.

(Signed) C. GREVILLE.
